The United States of America moves this Court for an order sealing the Government’s Response to Defendant’s Motion to Continue and Motion to Compel, ECF 550. This Response includes sensitive witness information and information relating to the criminal conduct of uncharged persons, which has not yet been ruled upon by the Court. Because this information is interwoven throughout the Response, redaction is impracticable, and accordingly the government requests that this Court seal it in its entirety.

Respectfully submitted this 30th of August 2019,
